PROJECT OUTLINE

CRYPTONYM: CARBONHYDRATE

Period Covered: 1 March 1953 - 30 September 1953

PART I

1. Area of Operations:

Germany, Frankfurt (Berlin Operations Base).

2. References:

CADROIT.

3. Purpose:

a. Objectives: To protect CADROIT from enemy penetrations, establish a SI/CI section within CADROIT and establish CARBONHYDRATE as the security officer for CADROIT.

- b. Targets :
- 1) Physical security of CADROIT premises.
  - 2) Detect hostile penetrations of CADROIT.
  - 3) Initiate rigid security clearances for all CADROIT employees.
  - 4) Initiate a system to insure that all accepted Mitarbeiter are cleared properly and that their handling follows accepted security procedures.
  - 5) Set up a training program to increase the security consciousness of CADROIT personnel.
  - 6) Create a SI/CI section within CADROIT, which will handle SSD matters and other related SI/CI tasks.

4. Personnel: CARBONHYDRATE.

CARBONHYDRATE will select from CADROIT personnel qualified persons for his SI/CI section.

5. Covers:

- a. Case-officer is charged with the security of CADROIT.
- b. CARBONHYDRATE is the official staff officer of CADROIT responsible for the tasks outlined under 3c above.

6. Contact and Communications:

Case officer and agent will meet approximately three times a week or,

if necessary, more often. Agent has a B&B agent phone number and can reach case officer anytime, and vice versa.

7. Control:

- a. Agent depends on us for his livelihood. Agent has furnished American intelligence with documentary information and received payment for same. Agent has received political recognition through GABROIT at our request.
- b. To a large extent based on our payments of salary which allow agent to support his family well. To a degree his middle class Western orientation coupled with a dislike of the communist ideology controlling East Germany.

8. Special Equipment:

None at present.

9. Coordination:

Complete coordination will be maintained with GABRAIN and the GABROIT case officers.

10. Timetable:

Agent has been in our employ since May 1948. Termination of project is envisaged only if agent proves to be incapable of fulfilling his assigned mission or if GABROIT folds up.
